New Mexico

Welcome to the Land of Enchantment. Here you will find amazing beauty, ancient cultures, outdoor recreation, and warm hospitality. The landscape is rich with diversity from mountains to desert to lakes and forests.

Sports & Outdoors

The opportunities for outdoor sports and recreation in New Mexico are as varied as its terrain. Few states can boast six of the seven life zones on earth. Nor are many areas blessed with high altitude mountains while being one of the southernmost states in the continental United States. Thirteen National Monuments and Parks, 29 State Parks and five National Forests await both the sightseer and the most ardent outdoor adventurer.

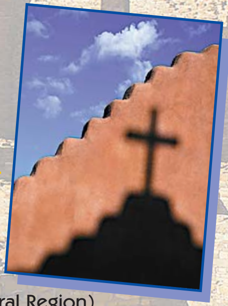

Hiking and biking can be done in almost any region of the state using trails on mesa tops, desert canyons or high mountain meadows. Numerous lakes and streams beckon anglers fishing for trout, bass, walleye or catfish. Hunting ranges from the mule deer to elk or the exotic oryx and ibex. Water enthusiasts can windsurf, water ski, Jet Ski, scuba dive or just swim. Land sailors harness the wind to skim dry lake beds on three-wheeled craft across dry lake beds west of Lordsburg, site of the Great Overland Landsail Races*. Sandsurfing is fantastic on the dunes at White Sands National Monument near Alamogordo, with plastic saucers available at the visitor center. And don't forget twelve ski areas that harvest the snow of the Southern Rockies while basking in the New Mexico sunshine.

Scenic Attractions

Scenic beauty is the number-one reason visitors come to New Mexico.

Our geological makeup features something for everyone. We have high Rocky Mountain ranges in the north, Sonoran Desert in the south, portions of the Great Plains to the east, spectacular canyons to the west and of course the Rio Grande, which runs right through the center of our beautiful state. From hot springs to lava flows to rock formations in various mysterious shapes, our landscape is all-encompassing. This incredible geographic diversity is accompanied by the flora and fauna of six of the world's seven life zones and the bluest skies imaginable.

In New Mexico, you will find a mosaic that can only be fully understood in person.

Culture & History

Experience the spicy mix that is New Mexico — from ancient Native cultures to the piquant blend of Hispanic and European traditions. The art, the soul and the stories that are New Mexico reside in our celebrated museums, legendary historic sites, and majestic monuments to a time long past. Savor the best the West has to offer, whether in the drama of the open plains, the fragrance of a piñon fire, the lonely howl of the coyote, or in the magic of unrivaled theatre, opera and dance.

We welcome you to the enchantment of our past, our present and our future. Plan your journey into the art and culture of New Mexico at these websites —

MISSISSIPPI

If you seek the unique, you need a little Louisiana

No other place offers the jazz and Creole cuisine of New Orleans. Or the Southern hospitality and antebellum mansions on the Great River Road of the Mississippi River, the mystique of wilderness tours into ageless swamps. Unforgettable parties like Mardi Gras; unequaled good times at an outdoor zydeco music festival, or a Cajun dance hall on Saturday night.

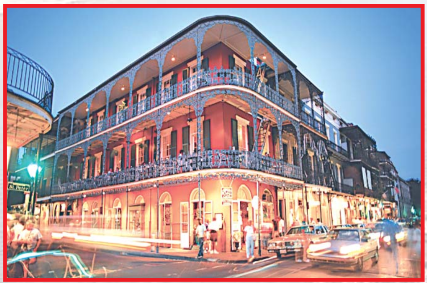

An alive-and-well scene, a diversity of cultures and a history more like a foreign country than a state, subtropical landscapes and almost too much good food makes Louisiana a must-do adventure.

The 2003 Louisiana Purchase Bicentennial Celebration continues through the end of the year and on into 2004 in a salute to one of the most significant real estate transfers in history as it educates, enlightens and entertains. The deal between U.S. and France, that ultimately secured all or part of 14 American states at four cents an acre, is being commemorated in Louisiana with special history and art exhibitions and special musical presentations focusing on American, European and Louisiana history at the turning of the 19th Century. For details, visit www.louisianapurchase2003.com.

Louisiana's Aubudon Golf Trail is one of the newest and most exciting destinations for golf. The collection of seven pro-caliber courses spread statewide offers challenges for the novice and the experienced golfer in Louisiana-only settings. Member courses follow the Audubon Cooperative Sanctuary guidelines for Golf Courses, a program that protects and preserves the natural beauty and heritage of the properties. For details, visit www.audubontrail.com.
